

Dear FCC:

I would like to comment on keeping KLOVE on the air. This station is such an inspiration to me and my family every day. Since finding this station our lives have been made better by thier programming. This station is a POSITIVE in our community. With so many NEGATIVE stations out there that spout only negativety and deviant information I beg you to keep this positive station on the air. We are so outnumbered by negative ads and influences on our younger generations. Let's keep this positive influence for our kids shall we?? This one makes a difference for GOOD!!! Please stand up and be counted on this issue. I want to thank you in advance for your attention and consideration to this matter. This station changes lives for the betterment of all of us.
